RE: CBA Web Seminar – RESPA: Understanding & Completing The New Good Faith Estimate
Thursday, November 12, 2009 -- 2:30 p.m. - 4:30 p.m.

The Department of Housing and Urban Development (HUD) recently approved a final rule that completely overhauls the requirements of Regulation X, the implementing regulation for the Real Estate Settlement Procedures Act (RESPA). While some revisions are already in effect, most of the new rules, including the new rules for the Good Faith Estimate (GFE), are effective January 1, 2010. In addition to the total revision of the form Regulation X now, for the first time ever, contains instructions for completing the GFE. The most significant changes involve the revised forms and this web seminar provides a detailed review of and step-by-step instructions for completing the newly revised GFE. Other provisions are covered in different web seminars: RESPA: Implementing the New Rules Overview - October 15 and The New HUD-1/1A - November 20.

HIGHLIGHTS

Upon completion of the seminar participants will understand:

- The new three-page GFE form
- The detailed instructions for preparing the GFE
- The loan summary provisions
- The new adjusted origination charges section, including the credit or charge for the specific interest rate chosen
- The new required provider and required services rules
- The new tradeoff table
- The new shopping table

AUDIENCE

Compliance personnel, lenders and management of financial institutions, mortgage brokers, and settlement agents. **CE Applied**: 2.5 hours towards the CRCM/CLBB designations with the Institute of Certified Bankers, an affiliate of the American Bankers Association.

SPEAKER

Jack Holzknecht, a principal with Pegasus Educational Services, LLC, has provided training to thousands of bankers and examiners for 27 years. Jack's career began as a federal bank examiner. WHAT IS A WEB SEMINAR?

A web seminar is an enhanced telephone seminar. The audio portion is delivered by speaker phone. However, you may now view a corresponding PowerPoint presentation using a PC or PC connected to an A/V projector. No special hardware is needed. You may still participate by phone only. The program consists of 90 minutes of instruction and 30 minutes live Q&A. Each registration provides one connection to the web seminar, materials and 30 days access to the online seminar. You may have unlimited listeners on your connection by speaker phone and PC. You will receive a confirmation with your PIN, materials and instructions. If you do not receive a confirmation within two days of the event call 888-262-7701. You may also purchase the CD and materials.

Free 30-Day Replay - Within five working days after the broadcast, you will receive a URL providing unlimited access to a recorded copy of the presentation for 30 days. This enables you to participate in the live web seminar, train additional staff and review the material as needed.

Transmission, retransmission or republishing of the audio portion of the web seminar is prohibited. Your registration entitles you to one connection at one location with permission to make copies of materials for participants. Please complete one registration per location.

The **On-Demand Web Seminar** is a live web seminar that has been recorded and then streamed to your computer to watch at your convenience. The program can be viewed anytime 24/7. You can watch a portion, come back and pick up where you left off! Anyone at your branch may access the program from a computer using the login and password. When purchasing an On-Demand Web Seminar, you have unlimited access to the program for 6 months from the date of purchase.
