RE: ***“Promotable People - Promotable Projects – Caught On Camera”***

We are requesting your submission of items of interest to be included in the ***“Promotable People - Promotable Projects - Caught On Camera”*** sections of the next edition of the Association’s quarterly magazine, **Connecticut Banking**.

The first section, ***Promotable People***, focuses on staff/officer/board appointments, milestones and/or promotions. The second section, ***Promotable Projects***, features special recognition of bank activities, such as foundation awards, community projects, grants, employee involvement in civic projects and other similar community outreach efforts. The ***Caught On Camera*** section contains photographs of bank events, such as branch openings, bank employee outings and other entertaining events.

While the recognition of bank employees in newspapers and other media is traditional, bank community projects and endeavors need ongoing promotion, both from your institution and your Association. We hope that by providing a vehicle assembling worthy banking activities and events, the industry will be able to further its image in the eyes of the public.

Attached is a form for your use when submitting materials for ***“Promotable People - Promotable Projects - Caught On Camera”***. We also have provided some sample submissions. While you are not required to submit information in this exact format, it is the style currently used by the editorial staff. Photos will be accepted, but are not required. Please e-mail your submission to pinkhaml@ctbank.com.

The next edition of **Connecticut Banking** is currently scheduled for publication on Friday, May 14, 2010. As such, the submission deadline for items of interest to be included in the ***“Promotable People - Promotable Projects - Caught On Camera”*** section is April 20, 2010. If you have any questions, please do not hesitate to give me a call.

Very truly yours,

LINDSEY R. PINKHAM
Senior Vice President & Secretary
