RE: Internet Banking Solutions Endorsement

Intuit Financial Services (formerly Digital Insight) helps banks grow by making it easier for consumers and businesses to manage their money. The company's portfolio of on-demand solutions and services are built on insights gained over three decades working with customers and creating innovative offerings that anticipate their needs. More than 9 million consumers and businesses use Intuit Financial Services solutions through its nearly 1,900 financial institution clients.

CONSUMER SOLUTIONS

Intuit Financial Services helps make the bank's Web site the center of your customers' lives where they can manage their finances looking forward and perform transactions based on a complete financial picture. Employing Intuit's pioneering product development principles of customer-driven innovation (CDI) that led to market-leading solutions like Quicken® and TurboTax®, Intuit Financial Services Consumer Solutions solve important everyday financial problems in a way that inspires consumer confidence and reliance.

Intuit Financial Services' Consumer Solutions include:

- Online Banking
- Bill Payment & Presentment
- FinanceWorks™ Personal Financial Management
- TurboTax® for Online Banking
- Remote deposit using a home scanner
- Marketing Support

BUSINESS BANKING

Intuit Financial Services incorporates and provides experiential intelligence gained from analyzing the online banking behaviors of 150,000 businesses to build a solution that creates user delight and enthusiasm. This translates into a competitive edge for your bank gained through a sophisticated, yet simple-to-use Business Banking platform that answers the needs of every business, from small or micro to large corporate...and everywhere in between.

Intuit Financial Services Business Solutions include:

- Cash Management
- ACH / Wires
- Payroll Services
- Invoicing

WEB CENTER

Online users demand that online banking be as intuitive as an ATM, as trustworthy as walking into a branch, and more useful than both. Intuit Financial Services Web Services is your bank's key to all three. Intuit Financial Services creates a Web presence that articulates the bank's business vision and helps bring value and profitability to its online channel. Then once the site is built, Intuit Financial Services can host it within our state-of-the-art, Level 2 SAS-70 and FFIEC compliant hosting environment. Intuit Financial Services Web Center is a powerful content management system that lets you drive the direction and decisions of the bank's site through user-friendly administrative tools with no technical training required.

PROGRAM BENEFITS

Intuit Financial Services is committed to helping financial institutions retain and grow profitable customers.
