RE: **Connecticut Banking** Wants Your Banks/Employees/Associate Member Achievements

We are requesting your submission of items of interest to be included in the **"Bankers In The News"**, **"Banks In The News"**, **and "Associate Member Achievements"** sections of the next edition of Connecticut Bankers Association's quarterly magazine, **Connecticut Banking**.

The first section, **Bankers In The News**, focuses on staff, officer, board appointments, milestones and/or promotions.

The second section, **Banks In The News**, features special recognition of bank activities, such as foundation awards, community projects, grants, employee involvement in civic projects and other similar community outreach efforts, photographs of bank events, such as branch openings, bank employee outings and other entertaining events.

Our newest section, **Associate Members Achievements**, will be highlighting employee milestones and achievements as well as pertinent activities.

We have provided sample submissions on the next page (or visit our latest [Connecticut Banking](#) edition). While you are not required to submit information in this exact format, it is the style currently used by the editorial staff. Photos (head shots only for **Bankers In The News**) will be accepted, but are not required. Headshots should be no smaller than 2 by 3 inches or 600 by 900 pixels. Images for Banks in the News should be no smaller than 4 by 5 inches or 1200 by 1500 pixels. Please email your submissions to cba@ctbank.com.

Important Dates – 2Q Edition

Your Data Submission to the CBA	Tuesday, April 9, 2019
Distribution to Membership	Tuesday, May 28, 2019

While the recognition of bank employees in newspapers and other media is traditional, bank community projects and endeavors need ongoing promotion, both from your institution and your Association. We hope that by providing a vehicle assembling worthy banking activities and events, the industry will be able to further its image in the eyes of the public. For more information, visit the magazine section on our [homepage](#). If you have any questions, please do not hesitate to contact the CBA.

Sincerely,

KAREN A. HORANZY
