FAX: (860) 677-5066

2017 - 8

February 13, 2017

TO THE CHIEF EXECUTIVE OFFICER  
OR INDIVIDUAL ADDRESSED

RE: CBA Membership

**SENT TO:**  
CEO, CEO+  
Associate Members,  
All Mail Codes

Am I a member of the Connecticut Bankers Association? Yes! If you are an employee of a **Member Bank** or **Associate Member**, you can access a number of services provided by the CBA, such as our educational programs including BankWorld! We'll also keep you apprised of industry happenings and other important items via our monthly newsletter **Highlights**.

## Whitelist Us

We need your help! With unsolicited and unwanted email becoming a larger problem, spam filters have become more stringent. Unfortunately, these tougher guidelines for filtering can cause legitimate CBA emails to be labeled as spam or to never even be received. To make sure you can continue receiving our legitimate and informative mailings, we ask that you contact your IT Department to add the CBA domain ([@ctbank.com](mailto:@ctbank.com)) to your whitelist.

## Check Your Profile!

We encourage you to login to our website to access your profile in our database. Once logged in, you will be able to access members-only areas and other site resources, manage your contact information, purchase items, register for events and more! Please follow the below instructions to access or create your account:

- 1) Visit [www.ctbank.com](http://www.ctbank.com)
- 2) Click on **Login** in the upper right corner
- 3) At the next screen, select **Create new account**
- 4) At the next screen (➔), complete the requested information and click Continue
- 5) If your last name and email address are already in our system, you will receive an email from Connecticut Bankers Association with a link to complete your account registration. Once you click on the link, you will need to assign a password to your account. Once assigned, you will be able to login to your account.
- 6) If you are not already in our system, you will be required to complete a brief new account form.

We hope you take a moment to register with us! We want to keep you advised of all the educational opportunities available, as well as important changes affecting our industry. Should you have difficulty or questions about the login process, please don't hesitate to contact the CBA at (860) 677-5060, or [cba@ctbank.com](mailto:cba@ctbank.com).

Sincerely,

COLLEEN E. CLANCY  
First Senior Vice President
