RE: New Partnership Between the CBA and CFT – The CBA/CFT Bankers’ Forum

The Connecticut Bankers Association is proud to announce a new partnership with the Center for Financial Training (CFT). The CBA will now jointly sponsor the former CFT Bankers’ Forum. The new CBA/CFT Bankers’ Forum will provide attendees with information and education on current issues and opportunities impacting the industry. Importantly, the forum will continue to be a place for bankers to network and interact with their peers while enjoying dinner and industry-related speakers.

The CBA/CFT Bankers’ Forum will be appropriate for middle to senior level bankers, emerging leaders, CSFM current and former students, associate members and others. These meetings will continue to be held periodically throughout the year at the Aqua Turf in Plantsville, and will feature timely programs, knowledgeable speakers and networking opportunities that will appeal to bankers from all areas of your financial institution.

Mark your calendars for the first CBA/CFT Bankers’ Forum on Wednesday, February 20th. We’re pleased to feature the annual Department of Banking update from Commissioner Jorge Perez and a state legislative update from the CBA.

To commemorate the first CBA/CFT Bankers’ Forum, *CEO’s are invited to attend the February 20th dinner free of charge!* Please click [here](#) for more information and to view the CBA/CFT Bankers’ Forum 2019 schedule of events and to register. We look forward to seeing you there!
