RE: Community Involvement Survey For 2018 --- Deadline Extension

The deadline for the Community Involvement Survey For 2018 has been extended from Friday, March 22 2019 to Friday, March 29, 2019. This is the eleventh annual survey regarding Bank Donations, Bank Foundation Donations and Employee Involvement. Please take a moment to answer this brief [online](#) survey, as your responses will help in our media relations and legislative advocacy efforts. Information should include totals for the Bank **and/or** the Bank Foundation, if applicable, for Connecticut only.

Last year, 28 member banks completed this [survey](#). It is important that we get a majority of member banks to participate, as we will use this summarized information in Washington, Hartford and in our media outreach. We have sent this email to our CEO, CEO+ and Foundation mailing categories (in hopes that we will reach all of our member banks) for completion. The URL for this survey is <https://www.surveymonkey.com/r/18CBACommunity>.
