RE: 2019 CBA Board of Directors Survey Questionnaire

We are pleased to announce the annual CBA Board of Directors Survey questionnaire is available online for your review and completion. This highly anticipated survey provides compensation and benefit practices information for member banks Boards of Directors.

The survey is divided into six sections, including questions on Board Composition, Board Practices, Board Compensation, Board Benefits, Corporator Information and Committees of the Board.

RESULTS

The results of the survey will be summarized by asset size (not individualized), therefore preserving anonymity. Since this information is confidential, the results for this survey will be available **only to participating bank CEOs** for a fee of \$275. Non-participating banks/companies may purchase the results for \$750. The deadline for returning the completed survey is Monday, July 1, 2019, with results anticipated to be distributed early September.

In 2018, twenty-five banks participated in the Board of Directors Survey and we hope to increase the number of respondents for this year's report. Should you have any questions, please do not hesitate to call the Association office.

Sincerely,

COLLEEN E. CLANCY
First Senior Vice President
