RE: **Online Learning**

We are grateful for your ongoing support and patience as we continue to face the postponement or cancellation of CBA seminars and events. We also empathize with the many other community businesses and organizations which are impacted by virus. Our thanks goes out to our banks who continue to work as essential businesses and provide the financial services that the people and businesses of the state rely on. We will all continue to support and take care of one another in the coming days and weeks, as this health issue evolves.

With the Governor Lamont executive order in place detailing the “Stay home – Stay safe” protocols, we at the CBA have updated our multitude of online learning opportunities for your team members. We encourage you to access our library of resources, webinars, online training and more by visiting: <https://www.bankwebinars.com/?idaff=17150>.

As you know, we are monitoring this developing situation closely and will continue to relay information to the entire membership.

Please visit the CBA website at www.ctbank.com for COVID-19 updates and other information.

As always, please do not hesitate to call the CBA office should you have any questions or feedback. While we are working remotely, your call will be forwarded to the team member’s cell phone that you are looking for. Stay safe and be well.

Sincerely,

KIMBERLY M. TUTTLE
AVP, Director of Education
